

Anselm Becker, The clergy of the archdiocese of Vienna, 1880 to 1918. Aspects of everyday priestly life documented by the obituaries of the *Correspondenz der Associatio perseverantiae sacerdotalis*

Abstract: From 1880 to 1969 a pious association for priests in Vienna edited a periodical called *Correspondenz der Associatio Perseverantiae sacerdotalis (CAPS)*. It contains over 800 obituaries of deceased members. In order to elucidate some aspects of everyday priestly life in the archdiocese of Vienna between 1880 and 1918, this article relates a selection of these obituaries to issues of such everyday priestly life.
